Available on request

SKU: ES1005BP
Categories: Beauty & Spa Treatment Furniture

Description

This professional make-up chair is designed for beauty salons, spas, professional studios and environments dedicated to make-up services, facial treatments and beauty services.

The seat is height-adjustable by hydraulic piston and can rotate 360°, with a locking system to provide greater stability during the treatment. The backrest reclines up to 45°, allowing the client's position to be adjusted according to the service, improving comfort and supporting the operator during everyday work.

The chair is equipped with a telescopic headrest and padded armrests, designed to provide support and comfort throughout the different stages of the treatment. Its elegant and functional design makes it suitable for beauty environments and professional make-up stations.

The upholstery is available in 30 colours, selectable from the colour chart. This make-up chair is Made in Italy.
