Description

Dental cabinetry rightside sink.

Our range features top quality materials and simple designs for maximum versatility.

Tecnomed cabinets are superbly ergonomic and designed to make the lives of working dentists easier.

Made from robust, electro-galvanised sheet steel in a uniform, 10/10 thickness, these cabinets are quick and easy to clean and designed to stop dust and debris building up in hollows and cracks.

Technical features Dental cabinetry rightside sink + solenoid valve DE9.21DX.
