Description

The **1:1 contra-angle head compatible with NSK FPB-Y** is a complete head suitable for **EX-Series** angles.

Indicated for **prophylaxis** and general applications, it provides a practical solution for replacement or maintenance on compatible NSK instruments.

The **push-button bur locking system** allows quick and secure bur fixation during operation.

The head supports a maximum speed of **40.000rpm** and accepts contra-angle burs with a diameter of **2.35mm**.

Technical features 1:1 contra-angle head compatible with NSK FPB-Y.
