SKU: C235TM000
Categories: NSK

Description

The **1:1 head compatible with NSK ER4 ER10 contra-angle** is a complete **Up and Down reciprocating head**, designed for use with NSK angles with a **4:1** ratio and compatible with **NSK EVA-Y**.

Indicated for **prophylaxis** applications, it provides a controlled vertical movement with a **1.2mm** stroke, offering a suitable configuration for use with compatible EVA tips.

The **push-button file locking system** allows practical and secure instrument fixation during use.

The head is compatible with **EVA tips** and reaches a maximum speed of **10.000rpm**, providing a functional solution for replacement or maintenance on compatible instruments.

Technical features 1:1 head compatible with NSK ER4 ER10 contra-angle.

Indications	prophylaxis
Ratio	Up/Down 1,2 mm
Locking mechanism	Push Button
Head diameter (mm)	10,5
