**Estimated shipping in 30 days**

**SKU:** C188TM000

**Categories:** NSK

### Description

The **contra-angle head compatible with NSK AR-YK** is a complete head suitable for NSK angles with ratios from **4:1 to 10:1**.

Indicated for **prophylaxis**, it is designed for use with polishing cups and brushes through a **snap-on** locking system.

The **snap-on** locking system allows practical fixation of polishing instruments during operation.

The head supports a maximum speed of **5.000rpm**, offering a suitable configuration for prophylaxis applications.
