SKU: SCR705

Categories: Benchtop scalers

Description

The D7 DTE-Woodpecker ultrasonic scaler with a tank is a versatile and comprehensive solution for dental professionals, delivering high performance and flexibility thanks to its compatibility with Satelec® inserts.

This device is designed to operate in various clinical modes, including Scaling, Endo, and Perio, making it adaptable to the daily needs of any dental practice. The ergonomic, compact handpiece ensures optimal visibility during procedures, while the range of included inserts allows for immediate use in a variety of clinical applications.

Key Features and Benefits:

- **Portability and flexibility:** The integrated tank eliminates the need for a direct water connection, allowing the D7 to be positioned anywhere in the clinic.
- **Ergonomic handpiece:** Lightweight and comfortable, the handpiece design reduces user fatigue during procedures by dampening vibrations. It is also easily sterilizable in an autoclave at up to 135°C.
- **Easy function control:** The intuitive control panel allows users to quickly select the working mode and adjust vibration intensity through simple buttons and a 10-level LED bar.
- **Convenient dispensers:** Equipped with two food-grade polymer dispensers (350 ml and 500 ml), the device is easy to install and clean, and can hold a variety of treatment solutions.

Technical Specifications:

- **Insert compatibility:** Satelec®
- **Cord compatibility:** Satelec® LED cord
- **Power supply:** 24VAC-220/240V-50/60Hz
- **Ultrasonic frequency:** 28kHz \pm 3kHz
- **Handpiece weight:** 58 g
- **Scaler weight:** 1.15 kg

- **Dimensions:** 240 x 200 x 230 mm

With its innovative design and advanced features, the D7 DTE-Woodpecker scaler is an excellent choice for any modern dental practice, ensuring high efficiency and comfort during clinical procedures.

Choose D7 ultrasonic scaler by DTE-Woodpecker from Tecnomed Italia and discover a new level of efficiency and reliability in dental procedures. Optimize your daily work with DTE-Woodpecker solutions, with the assurance and guarantee of Tecnomed Italia's after-sales service.
