

Electrosurgical Handpiece Holder for Easy Tray arm

Electrosurgery handpiece holder for installation on Easy Tray arm for 5-tray medical trolleys.

Available

SKU: DE1003X.3
Categories: Handpiece Holders & Accessories

Description

The **electrosurgery handpiece holder** is designed for installation on the **Easy Tray arm**, compatible exclusively with 5-tray Easy Tray medical trolleys. It provides stable and secure positioning of the handpiece, improving accessibility and workstation organisation during surgical procedures.

The holder keeps the handpiece correctly positioned, supporting an orderly and efficient workflow. Integration on the Easy Tray arm allows positioning to be adapted to operational needs, enhancing ergonomics and continuity during procedures.
