

Ivory angle head, 1:1, standard use, KaVo and MK-dent compatible

Ivory angle head, 1:1, standard use, compatible KaVo 68LH 69LDN and MK-dent LS9011 LS9111

Available from 08/05/2026

SKU: SL611C

Categories: KaVo - Ivory - Mk-dent

Description

The **Ivory 1:1 contra-angle head compatible with KaVo and MK-dent** is designed for precision, durability and ease of access. Suitable for **Ivory Silk Line contra-angles** used in **prophylaxis and endodontics**, its **compact size** allows easy access to posterior areas and preparation sites.

Fully compatible with all **Ivory and KaVo® contra-angles**, it ensures versatility and quick replacement. The **Rotostop locking system** enables effortless head removal and exchange across the prophylaxis line, depending on the required reduction ratio.

This modular design allows **fast and efficient maintenance**, enabling immediate replacement of worn components without interrupting workflow. The **front anti-wear bearing**, featuring an **integrated reinforced bushing**, absorbs operational stress and maintains perfect rotor concentricity for smooth, vibration-free performance.

Technical features Ivory 1:1 contra-angle head KaVo MK-dent:

Indications	Standard
Ratio	1:1
Locking mechanism	Button
Head diameter (mm)	9,5
Head height (mm)	11,6
Bur diameter (mm)	2,334/2,350
Bur length (mm)	21.95
Type of lubrication	Oil

Autoclave resistant	Yes, 135°C
Max speed (RPM)	40.000
Packing weight appr. (g)	120
Certification	CE
