

Ivory coupling for W&H turbines, electrified

Ivory Silk Line coupling for W&H® Roto Quick® RQ 24 turbines, electrified, 6-way

Available from 08/05/2026

SKU: C30LW

Categories: High-speed handpieces Couplings

Description

Ivory Coupling for W&H Handpiece Roto Quick® RQ 24 Turbines – Electrified, 6 Holes, 360° Rotation, Ultra-Light 31g

The Ivory Coupling W&H Handpiece is engineered for optimal compatibility with **W&H® turbines using Roto Quick® RQ 24 connections**. Lightweight, electrified, and ergonomically designed, it offers superior control during dental procedures.

Its **360-degree swivel** ensures complete freedom of movement, minimizing wrist strain and improving handling. Weighing only **31g**, the coupling enhances the overall balance of the handpiece, reducing operator fatigue.

Fully **electrified**, it supports built-in turbine lighting, providing **excellent illumination of the working area**. The **6-hole configuration** enables efficient distribution of air, [wOrdini 1](#)ater, and power.

Built with durable materials, the C30LW is a **reliable, long-lasting solution** for practices using W&H Roto Quick® systems.

Technical features Ivory Silk Line Coupling for W&H® Handpiece

Rotation	360°
Illumination	Electrified
Compatibility	W&h® Roto Quick® RQ 24
Connection	6 ways

Spray Regulation	No
Weight	31 gr.
Autoclavable	No
