Description

Lucy wax trolley 5 shelf is sober and elegant design in a compact format. Practical and easy to handle. This is the ideal work tool.

The metal structure on castors has been designed to be a valid support in hair removal treatments.

It can in fact house a wax heater, rollers, and all of the other equipment needed for a professional job.

The Lucy wax trolley 5 shelf is comprised of a central sliding top, a fixed shelf on top, and three side shelves that can be closed; it also has a flip top container for a rubbish bag. The trolley can also be used for traditional treatments.
