

Professional massage table with adjuustable backrest

Professional massage table with adjustable backrest. Paper roll holder included, upholstery available in 30 colours and Made in Italy production.

Available on request

SKU: ES1006BL
Categories: Beauty & Spa Treatment Furniture

Description

This massage table is designed for beauty salons, spas, physiotherapy clinics and professional environments dedicated to massage, aesthetic treatments and wellness.

The table features one adjustable section with a reclining backrest, offering a practical and functional configuration to position the client according to the treatment. Its stable structure makes it suitable for everyday professional use, providing comfort throughout the different stages of work.

The included paper roll holder allows tidy and hygienic use of disposable paper or couch rolls, helping prepare the treatment area between appointments.

The upholstery is available in 30 colours, selectable from the colour chart. This massage table is Made in Italy.
