

# Perio tip for SINE WAVE DRIVE scaler, compatible P50R, PSR, P21RE

Titanium perio tip for drilling and curved root walls. Compatible Woodpecker P50R, EMS PSR, NSK/E P21RE

**Available**

**SKU:** PG050RT
**Categories:** EMS - Woodpecker

## Description

The perio tip for Sine Wave Drive RT scaler is designed for periodontal treatments in difficult-to-reach areas, such as furcations and curved root surfaces.

The slim titanium tip allows access to deep pockets and narrow spaces between teeth or overlapping crowns, supporting root debridement and calculus removal in anatomically complex areas.

### Specifications

- Compatible with Woodpecker P50R, EMS PSR and NSK P21RE
- Suitable for use with Sine Wave Drive RT scaler
- For professional dental use
