

Scaling tip for scaler, EMS compatible C, Woodpecker G6

Scaling tip for removing extensive areas of tartar and cement remnants. EMS C, Woodpecker G6 compatible

Shipping expected in approximately 40 days

SKU: PG042

Categories: EMS - Woodpecker

Description

The scaling tip for scaler is intended for professional dental use and is compatible with EMS C and Woodpecker G6.

It is indicated for the removal of extensive calculus deposits and cement residues during professional scaling and hygiene procedures. The tip is designed for use with compatible scalers, supporting effective treatment of areas affected by larger deposits and residues requiring removal.
