

HW-3H Woodpecker white handpiece for scaling unit, EMS compatible

White handpiece for Woodpecker power scaling unit, EMS compatible

Available

SKU: M16A

Categories: Scaler Handpieces

Description

The Woodpecker HW-3H scaler handpiece is a high-quality piezoelectric scaler, EMS compatible and designed to deliver reliable performance in every procedure. Its robust build makes it an ideal choice for demanding daily use in dental practices.

The handpiece can be sterilised in an autoclave and withstands high temperatures and pressure without cracks or deformations, ensuring long-lasting durability.

With its lightweight and ergonomic design, it minimises hand fatigue and allows professionals to work comfortably and precisely over extended periods.

Fully compatible with EMS connection systems and tips, the Woodpecker HW-3H scaler handpiece is a reliable and versatile solution for safe and efficient treatments.
